FORT BENNING – Fort Benning will host a demonstration of future Army technology at Stewart Field March 20 at 2 p.m.

The technology featured will include self-directed cargo vehicles, several robots that can carry cargo to plotted GPS points without human direction, small reconnaissance robots and life-saving robots that could deploy to Iraq and Afghanistan by next year. The robots were featured on the Discovery Channel's show, *Future Weapons*.

Local high school students and regional and state science fair winners will observe the technology in action.

The media pick-up will be at 1:30 p.m. March 20 at the I-185 gate. Please call if you plan to attend.

For more information, call the Public Affairs Office at (706) 545-2238. After duty hours and on weekends, call (706) 545-2218.
